

SCALING BIOLOGICAL AGRICULTURE: FROM INNOVATION TO IMPACT

• 27th June 2026 •

Learn

Modules On

Fundamentals of Biological Agriculture, Biofertilizers, Biostimulants & Biopesticides

Microbial Consortia & Next-Generation Formulations

RNAi, Molecular Diagnostics & Precision Agriculture

AI-Enabled Advisory Systems

Measuring Impact – Performance & Scalability

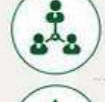

Product Performance & Scalability Assessment

Farmer Adoption & Behavioral Insights & Last mile Impact

Regulatory Frameworks (FCO, Insecticides Act)

Digital Advisory & Outreach Models

Integrating biologicals into existing crop systems

**27th June
2026
(SAT)**

Who Should Attend?

- Agri-input companies & startups
- Agronomists & consultants
- Policymakers & regulatory professionals
- NGOs & CSR teams
- Researchers & academia
- FPOs & progressive farmers

Aspiring for Career in Agri Input Industry ?

Fastrack your knowledge with
impactful certificate course in **AgriBIOLOGICALS**

Provide a holistic understanding of biologicals and emerging agri-biotechnologies

Enable participants to evaluate, deploy, and scale solutions

Bridge research → regulation → commercialization → farmer adoption

Address multi-stakeholder perspectives (industry, policy, academia, farmers)

Content and Curricula: Globally acknowledged proprietary content, curriculum and accreditation for various domains.

Experts: Taught by the finest industrial subject matter experts drawn across Agri-inputs industry for providing cutting edge knowledge and skills and offer in depth knowledge

Design Of Training : Thoughtfully Tailored Program comprising the advances in Agri Biologicals Industry

Scaling Biological Agriculture : From Innovation to Impact

Speakers :

Dr. Shailendra Singh
Chief Operating Officer
Zydex Group – Agro Solutions

Dr. A. John Peter
Chairman & Managing Director
Varsha Bioscience and
Technology India Pvt Ltd

Debarata Sarkar
President-Asia Pacific
at AlgoEnergy

Dr. KRK REDDY
Managing Director at
Sri BioAesthetics Pvt.Ltd

Sahil Malik
Managing Director – Kisan
Agrovet Secretary General NBIF
– National Biostimulant
Industry Federation

Dr. Aundy Kumar
Professor & Principal Scientist
(Plant Pathology) ICAR-IARI

27th June 2026

10:00 am to 5:00 pm

zoom

Praharaju Laxminarayana
Managing Director
AG BIO SYSTEMS PVT LTD
